## NORTH ARROW APPOINTS GATTENS AS VICE PRESIDENT, COMMUNICATIONS

November 27, 2025

Trading Symbol - TSXV: NAR

#25-09

**VANCOUVER B.C., CANADA, NOVEMBER 27, 2025** – North Arrow Minerals Inc. (TSX-V: NAR) (“North Arrow” or the “Company”) is pleased to announce the appointment of Ms. Kaeli Gattens as Vice President, Communications, effective December 1, 2025.

Eira Thomas, CEO of North Arrow, commented, "I am delighted to welcome Kaeli to North Arrow. Having had the privilege of working with her earlier in her career and watching her develop into a highly respected communications leader in our industry, I know firsthand the caliber of talent and dedication she brings. Kaeli's deep experience across capital markets, investor relations, and corporate communications—including her work on mining projects in Africa—makes her a natural fit as we advance the Kraaipan Gold Project and grow our company. I couldn't be more pleased to have her join our team."

Ms. Gattens brings nearly 15 years of leadership experience in corporate communications, capital markets, and public affairs within the global metals and mining sector. She joins North Arrow from Yukon Metals Corp., where she most recently served as Vice President, Investor Relations. Her background includes senior roles at the JDS Group of Companies, Sun Peak Metals Corp., VRIFY, Finning, and Goldcorp Inc., where she built and executed strategic communications programs that enhanced global brand visibility and strengthened investor engagement.

Ms. Gattens holds a Graduate Diploma in Business Administration from Simon Fraser University and a Bachelor of Political Science and Economics from the University of Victoria. She is also certified in ProSci® Change Management and previously served for three years as a Director of Women in Mining British Columbia.

---

**About North Arrow Minerals:** Vancouver-based exploration company focused on evaluating the Kraaipan Gold Project. Management and advisors bring significant global exploration and mining experience. North Arrow's exploration programs are conducted under the direction of Kenneth Armstrong, P.Geo. (NWT/NU, ON), Chairman of North Arrow and a Qualified Person under NI 43-101. Mr. Armstrong has reviewed and approves the technical and scientific information in this news release.

*Neither the TSX Venture Exchange nor its Regulation Services Provider accepts responsibility for the adequacy or accuracy of this release.*

*This news release contains "forward-looking statements" including but not limited to statements with respect to North Arrow's plans, the estimation of a mineral resource and the success of exploration activities. Forward-looking statements, while based on management's best estimates and assumptions, are subject to risks and uncertainties that may cause actual results to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: risks related to the successful integration of acquisitions; risks related to general economic and market conditions; closing of financing; the timing and content of upcoming work programs; actual results of proposed exploration activities; possible variations in mineral resources or grade; failure of plant, equipment or processes to operate as anticipated; accidents, labour disputes, title disputes, claims and limitations on insurance coverage and other risks of the mining industry; changes in national and local government regulation of mining operations, tax rules and regulations. Although North Arrow has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. North Arrow undertakes no obligation or responsibility to update forward-looking statements, except as required by law.*
